

Tuesday 19 June 2018

	Toolshed	Room 1.41	Room 1.42	Room 1.43	Room 1.44	Room 1.61	Room 1.62	Room 1.63	Room 1.64	Room 2.41	Room 2.43	Room 2.44	Room 2.45	Room 2.46	Room 2.61	Room 2.62	Room 2.63	Room 2.64	Room 2.65	Room 2.66	
08h00-09h00				S251 EU Adaptation Strategy EU																	Early Session 08h00-09h00
09h00-9h15																					09h00-9h15
09h15-11h00	OPENING PLENARY IN AUDITORIUM 1																				09h15-11h00
11h00-11h30	TEA																				11h00-11h30
Time Slot 3 11h30-13h15	ToolShed A Climate services and decision making	S86 Learning and action: building climate resilience in cities GIZ/UNEP		S68 An urban equity and justice orientation to climate adaptation and resilient transformations Birmingham Uni	S182 After the Floods: Reactive adaptation and rebuilding for resilience in cities C40	S172 Adaptation: instrument of conflict or a tool for cooperation? NWO	S48 Government Natural Resource management supporting ecosystem based adaptation ConsSA	S219 Collaborative thinking on nature based solutions for adaptation and DRR: buddy projects in Africa, Europe, Asia and Latinamerica ICatalist	S145 Improving resilience for food and health in Africa with science NASA	S54 Embracing Complexity: The Challenges of Measuring and Defining Adaptation Success Colorado Uni	S99 A Gender Responsive Approach to Adaptation - across policy, financing and implementation IUCN	S406 Vulnerability	S324 Climate resilient development pathways	S51 Resilience epistemologies - creative partnerships in urban risk management? Kings College	S55 What do the intersections between resilience and wellbeing offer development practice? LSE	S158 Using Disruptive Technologies to Address Climate Disruption CA Network	S23 The Motion: Global development is not adapting to climate change Oxford Uni	S317 Climate services: co-creating knowledge	S322 Decision making and planning	S352 Agriculture: programmes, strategies and technologies	Time Slot 3 11h30-13h15
13h15-14h15	LUNCH & POSTERS																				13h15-14h15
Time Slot 4 14h15-16h00	ToolShed B Infrastructure & planning	S38 Diversity in application: Understanding how adaptation and disaster risk reduction are linked in different countries and regions Rhodes Uni	S174 Harnessing indigenous and traditional knowledge for adaptation in low input conditions Griffith Uni	S39 Early experiences with managed retreat Stanford Uni	S3 Urban adaptation and coastal protection – institutional challenges and governance strategies in a rapidly urbanizing world Humbolt Uni	S166 Transforming agri-food systems: moving from science to action CGIAR	S11 Migration & Displacement in Climate Hotspots: Adaptation or Loss and Damage? Hawai Uni	S116A Vertical integration in adaptation: understanding institutional barriers and enablers across scales UCT	S71 Different Perspectives on Direct Access and Concrete Adaptation Interventions Adapt Fund	S218 Showcasing and learning from Forecast-based Financing case studies Reading Uni	S154 Communicating climate projections: Design approaches, interpretations and applications Leeds Uni	S404 Health and well-being	S330 Water: decision-making	S83A Interdependencies of systems: Adapting cities to cascading effects Triggered by Climate Extremes ISUT & NCAR	S97 How to Train for Better Access to Climate Adaptation Finance WUR	S164 Social learning and evaluating its impacts in participatory adaptation planning Deltares	S165 2018 Forum of the UNFCCC Adaptation Committee: Integrating climate change adaptation with the SDGs and Sendai Framework UNFCCC	S321 Policy and governance	S320 Governance: case studies	Time Slot 4 14h15-16h00	
16h00-16h30	TEA & POSTERS																				16h00-16h30
Time Slot 5 16h30-18h15		S114 Creating new narratives for integrated approaches to CCA, DRR and transformation WUR	S127 Methods for enhancing the co-production and application of science-based evidence into adaptation planning in LDCs and SIDS Climate Analytics	S90 Linking the NAP process and NDCs to accelerate enhanced adaptation action GIZ	S72 Identifying transferable lessons from coastal communities' transformational adaptation pathways CSIRO	S231 What does transformative adaptation look like? UNDP	S227 Managing tree cover: conflicting local versus global perspectives DEA	S116B Vertical integration in adaptation: understanding institutional barriers and enablers across scales UCT	S124 Using and evaluating participatory scenario tools for adaptation UCT	S74 Strengthening resilience to the health risks of climate change in low and middle income countries Washington Uni	S128 Addressing poverty and climate change in the 21st century: can Adaptive Social Protection support adaptation? RCRC	S303 Gender and resilience	S60 Mapping the frontiers of adaptation research and practice IDRC	S83B Interdependencies of systems: Adapting cities to cascading effects Triggered by Climate Extremes ISUT & NCAR	S221 Finance and nature for change: grasping opportunities in transformative adaptation and disaster risk management BC3	S147 How can effective CSO/CBO engagement and support to CbA enhance the implementation of transformative adaptation projects? GermanWatch & SSN	S310 M&E: frameworks & case studies	S349 Cities and knowledge sharing	S347 Water management	Time Slot 5 16h30-18h15	

CHEESE & WINE RECEPTION
